

Business Name here

Step 1: Write one or two sentences about what your business delivers.

Example: *We are a fully accredited surveying business capable of completing large scale aerial surveys.*

Step 2: Write one or two sentences about why you think your business is special.

Example: *Our business has won nine industry awards for excellence and commitment to service over the last three years.*

About our business

Step 3: Write one or two sentences about your business's track record.

Example: *Over the last six years, General Surveying Ltd has undertaken over 230 surveys for personal, government and businesses across the NSW southern tablelands and south coast.*

Step 6: Write one or two sentences about the plans for your business.

Example: *Since starting as a two-person operation, General Surveying has grown to be the third largest business of its type in southern NSW. We are regularly working in northern Victoria and the Australian Capital Territory. We aim to open a new office in Goulburn next year.*

Step 4: Write one or two sentences about the work your business has achieved recently.

Example: *General Surveying recently completed work for the Southern Hydro Authority and the Milk Valley Regional Council. Each were significant jobs in difficult terrain, required the use of satellite imaging.*

Step 5: Write one or two sentences about key personnel in your business.

Example: *General Surveying has four registered surveyors, plus a trainee surveyor. They are located in Cooma and work across southern NSW.*

Step 9: Outline who is your business contact and why they are good for that role.

Example: *Mary Smith is General Surveying's office manager, wither 24 years in the industry. Mary manages all government contracts. If Mary is ever immediately unavailable, the business owners will inform you who is leading our work for you.*

Our approach to business

Step 7: Write one or two sentences about how your business has or will deliver on time.

Example: *At General Surveying, we pride ourselves on delivering quality surveys on time. Over the last year, we have met all of our agreed delivery deadlines.*

Step 10: Explain how your business deals with interruptions.

Example: *General Surveying is committed to delivering a survey which is 100% accurate. When deadlines threaten, we have the potential to call on additional resources thanks to our wide industry network. We work with our clients to manage the sorts of delivery risks which can arise when surveying the unknown.*

Step 8: Explain how your business will benefit from getting this work.

Example: Winning this work may mean that we will be able to offer two new roles within our business.
